Signing Up

How do I sign up?

Setting up your profile only takes a few minutes, and we do all the work for you! Simply contact our customer care specialist by calling 1-855-226-0922. Or you can input your name and phone number on our sign-up page and our customer care specialist will phone you as soon as possible.

What information do you need to set up an account?

To complete your profile, you will need to provide your personal details:

- name
- date of birth
- allergies
- contact information
- address

We will also require a credit card on file. If you have personal, provincial health plan, and/or any additional third party insurance, we will process all claims on your behalf. Your information is completely confidential and all information is stored in accordance with provincial privacy regulations to protect your personal information.

Medication

Do you deliver over-the-counter products like pain relievers?

We are a full-service pharmacy just like any local retail pharmacy. We supply over-the-counter products, diabetic supplies, wound care supplies, and any other products a retail pharmacy may carry. Please contact our customer care specialist for our full product listing.

What if my medication has changed since my last refill?

We recognize that people are always changing and that means their medication could be changing as well. If your prescription changes at any point, simply ask your doctor to fax the new prescription to us. Once we have received your new prescription, we will send you the appropriate amount of medications until your next refill. Then we will issue the next full monthly supply of the new, revised medications as outlined by your doctor. Because your health is our priority, our pharmacist will also speak with you about the change.

Do you provide injection services?

Currently, Pharmacy At Your Door doesn't offer this service.

How to Transfer or Start Your Prescriptions with Pharmacy At Your Door

How do I transfer my prescriptions to Pharmacy At Your Door?

When speaking with our customer care specialist, we will ask you for the name, phone number, and location of your current pharmacy. We do the rest. It's that easy.

Can I ask my doctor to send my prescription to Pharmacy At Your Door?

Yes, when you receive your prescription from your doctor, simply ask them to fax it to 1-888-417-3711, and we'll take care of the rest.

What if I have a prescription at home and I want to fill it?

Call us with your details and we'll request a copy of your prescription from your doctor. We'll take it from there and your prescription will be delivered to you!

Is a signature required upon delivery?

A signature is required upon delivery because your health and safety is always our priority. For that reason, we will not leave medications at your doorstep. If no one is available, your medication will be safely returned to our pharmacy and we will try again within the next 24 hours.

Speak to Our Pharmacist

What if I have a question for the pharmacist?

Our pharmacist is available any time during our operating hours. Simply call our pharmacy at 1-855-226-0922. If you are experiencing a medical emergency, please call 911.

What is a medication review?

Just like an annual physical, our pharmacist assesses your medications against your medical needs, and ensures they are up-to-date. A medication review is really a smart choice to make for your own health and well being. Making sure that all your medications are right for you is something you can manage from the comfort of your own home. Please contact our customer care specialist to make an appointment.

Privacy and Security

Is my health information safe and secure?

Your privacy is our top priority. We adhere to all privacy laws as do all pharmacies within the province of Alberta through the Freedom of Information and Protection of Privacy Act.
